

## The Five Dare Challenge for Harry Potter Fans

If visiting the Wizarding World of Harry Potter at Universal Studios in Florida, a Harry Potter fan's experience won't be complete until he/she has completed this Five Dare Challenge.

- I DARE YOU** to ask any muggle employee at King's Cross Station for directions to Platform 9  $\frac{3}{4}$ , and then, try not to feel foolish when they look at you like you are crazy.
- I DARE YOU** to try on a robe at Madame Malkin's Robes for All Occasions, and then, ask the mirror how you look. (Be forewarned. The mirror's response may not be flattering.)
- I DARE YOU** to approach the *Monster Book of Monsters* at Dervish and Banges... if you are brave enough.
- I DARE YOU** to say "Voldemort" in front of any cast member in Hogsmeade. Watch them recoil in fear at the mere mention of he-who-cannot-be-named.
- I DARE YOU** to chat with the animatronic goblin at Gringott's Money Exchange. If you are feeling exceptionally brave, try asking him if he is a house elf

Go ahead. Do these five things during your visit to the Wizarding World of Harry Potter, and see what happens. *I dare you!*
